She Speaks

Your space, Your Story, Your voice..

Our Ethics

- ✓ **Confidentiality** – What's shared here stays here. Respect everyone's privacy.
- ✓ **No Judgment Zone** – Everyone has a different story. Let's keep the space supportive and open-minded.
- ✓ **Respect All Voices** – Whether it's a bold opinion or a quiet vent, all expressions are valid.
- ✓ **Constructive, Not Critical** – Share your views with kindness. Debate ideas, not people.
- ✓ **Inclusive & Intersectional** – This space supports all women: of every background, ability, identity and experience.

What we have

- **Defied,**
- **Redefined or**
- **Dreamt of saying out loud**

Lets know better **Not Name & Role**

What's a rule society told you as a woman that you have broken or redefined?

What's one bold thing you wish more women could say out loud?
